Bring a Buddy to Buddy Day!

Let's make it a date! Buddy Day is coming soon! All current students are encouraged to invite a Buddy to come to class **free of charge**. **Instead of a play date it is a performing arts date!**

Just give an attached invitation to a friend. When they say yes, register at the desk to reserve your spot and pick up a permission slip. Space is limited so please register early to avoid disappointment.

As always we thank you for your support. Your word of mouth advertising never goes unnoticed and is most appreciated.
