Oh my!!! Hold on everybody! It's gong to get a little crazy around here!

As Spring rolls around, activity at the studio begins to accelerate at a very rapid pace. New students are enrolling, and old students are returning as their winter activities end. Costumes begin to arrive; new dances are introduced for the annual recital and competition season is well underway. We are busy, busy, busy.

Every year people tell us "I didn't get any of the information". In most cases they did not provide an email address change, or they simply didn't read their email, or the newsletter posted on the wall. **It is critical that you keep us informed of your email address (and credit card information).**

PLEASE read your email and check the bulletin boards for new information. Be sure you mark your calendar with upcoming dates. Read the newsletter and save it for reference. Be sure we have your proper email address because lots of information will be forthcoming. OR If you have additional e-mail addresses you would like to include, please let us know. And for all you, "newbies"...hang on

tight, it's going to be an exciting and hectic ride! If you have questions check the newsletter, website and bulletin boards. If all else fails...ask for help.

The Broadway Bound Competition Team enjoyed amazing success at the Sheer and Eleve Dance Competitions recently. Over 60 solo, duo, and group dances walked away with a boatload of individual and special awards including scholarships, overalls, etc. Of particular note were the Highest Group Score of the weekend and the Association of Dance Competitions and Convention's Studio of Excellence Award at Sheer. Members of the Performing Company and our Adaptive Jazz Class also participated and scored well. Congratulations to one and all.

Get ready!!! Big changes are coming!!!

This is a big "heads up" for all of our student families and newbies. We are in the process of installing and learning a brand new, high function, dance studio software that will allow for more efficient enrollment, scheduling and communication. The learning curve will be bumpy but we are confident it is the bright new wave of the future for the studio. Keep an eye out for more to come on this very important change to our studio operations.

Smarter Banking. Easier Living.

Shout Out to our friends at the Franklin Savings Bank in Merrimack. We cannot be more pleased with the service and support from Manager Andrew Cirrone and the entire FSB Team. If you are looking for a terrific banking experience, go see Andrew!

Please help us keep the studio neat... and clean...and safe!

With the wet Winter and Spring weather, it is important that we make every effort to keep the studio dry, clean, and free of any sand and debris. It's dangerous and it is bad for our floors.

We ask that everyone please keep their coats, shoes, boots and bags in order.

Avoid a tripping hazard by placing your personal items under the seat in front of you or in the overhead compartment. (Just checking to see if anyone really reads this stuff!)

Do we have your correct email address? With each e-mailing, we receive notice of several incorrect email addresses. Some of you may have changed to another email provider or another address. Most of our news, information, billing statements, etc. are sent exclusively by email. Don't miss out on the latest information and updates. Please be sure we have the correct email address.

**PLEASE CHECK TO BE SURE WE HAVE THE CORRECT CREDIT CARD ON FILE
WITH THE CORRECT EXPIRATION DATE.**

Consider AutoPay for monthly tuition. Avoid late fees and last-minute races to the studio to pay tuition.
AutoPay is easy, efficient and used by most of our student families.
